Leadership Journey

As the Sun turns around itself,
It creates gravity.
As it creates gravity,
All the planets turn around it.
As it creates its own energy of attraction and love
The earth keeps us in.

As you turn around yourself,
The Sun in you rises.
As you create gravity and emanate love,
You become the Sun for others.

**As the people around you are
nurtured by your energy,
YOU BECOME THEIR LEADER.**
